

# Highland City Boy Scout Merit Badge Classes

Scout shirts are **required** at all scouting events. Please be sure that your scout is wearing his shirt to each class. If he is not wearing his shirt he may be sent home to retrieve it.

**Please help us provide the best educational experience for your scout by attending class with your 11 year-old scout and/or your scout with special needs. If your scout is disruptive in class you will be asked to sit next to your scout.**

**Please review the requirements for the merit badge ahead of time. Some requirements may need to be completed before the class meets. Link to BSA Merit Badge Requirements: <http://usscouts.org/usscouts/meritbadges.asp>**

***All scouts need to bring their own merit badge cards.*** You may buy cards from your scout master or from the Boy Scouts of America Office in Orem. Scouts **MUST** be at least 11 years old by the last class in order to register for Merit Badge Classes through Highland City. Registration for Highland Residents will be on-line ONLY starting 9:00 a.m. on the day listed. Non-residents may register on the day *after* registration opens for residents. Once the class fills up you will be able to register on-line for the waiting list. Please be sure to include your email address when registering for classes as important information may be emailed to you prior to the class. Scout shirts are required unless otherwise noted. Please do not send your scout to the class without pre-registering or he will be turned away. Once the money is paid there will be no refunds. You may find someone else to take your scouts spot. Though these classes are designed for completion of merit badges for the Boy Scouts of America, anyone between the ages of 11-17 years old is welcome to take the classes.

Requirements must be met in order to receive a signed Merit Badge card. If the class you registered your Scout for is two parts, attendance in both classes is mandatory. If your scout is unable to complete his requirements to pass off his Merit Badge in the class timeframe provided he will need to contact someone in his local troop or district to complete the requirements.
