CERTIFICATE OF POSTING
I, Cindy Quick, the duly appointed City Recorder certify that the foregoing agenda was posted in three public places within Highland City limits. The agenda was also posted at the principal office of the public body, on the Utah State website (http://pmn.utah.gov) and on Highland City’s website (www.highlandcity.org).

Please note the order of agenda items are subject to change in order to accommodate the needs of the Library Board, staff and public.

THE PUBLIC IS INVITED TO PARTICIPATE IN ALL LIBRARY BOARD MEETINGS
Library Board approve changes in the Library Board Bylaws regarding the approval of policies, and the election of officers.

There are two small changes we would like to consider for the Library Board Bylaws:

1. As the Library Board has approved recent policy changes for the library there has been discussion about having those changes vetted by the City Attorney. The process has been for the Board to approve a policy, then show it to the attorney, and then have to approve changes to the policy in accordance to the attorney’s suggestions. This is cumbersome and to streamline the procedure we would like to add a statement to the bylaws that approved policies go into effect after they have been vetted by the City Attorney.

2. The Bylaws currently state that new officers begin their term in July of each year. Because the Board does not meet until the fourth Tuesday of the month, this schedule would require that they be elected in June. New Board members also begin their terms in July of each year. This schedule makes it so that new Board members cannot participate in the election of new Board officers. It is proposed that the Bylaws be changed to state that new Board officers be elected at a different time than July of each year, the time to be determined by discussion in this meeting. An alternative option would be to move the schedule of election of officers to the Operating Procedures of the Library Board.

Fiscal Impact:
None

Proposed Motion:
I move that Library Board approve proposed amendments in the Library Board Bylaws.

Alternative Motion:
I move that Library Board approve the proposed amendments in the Library Board Bylaws and Operations and Procedures.

Change 1

In Section G, the current Library Board bylaws state the following:

G. Responsibilities

1. The Board shall maintain and care for the Library and shall establish policies for the Library’s operations.
   a. Policies become effective when approved by a majority of the Board at a meeting.

The City Attorney wishes to review Library policies before they become official. Therefore, we need to amend the current Library Board bylaws. There are, at least, two ways to accomplish the amendment. We could do one or both of them.

1. In the Library Board bylaws, we could drop item “a” and replace it with statement that “Policies become effective when approved by a majority of the board after review by the City Attorney.”

2. In the Library Board bylaws, we could drop item “a” and in the Library Board Operating Procedures, we could replace item “a” with description of the full process “Establishing Library Policies” in the by adding a new letter “a” to section 2. Committee Responsibilities. The subsequent sections “a” through “f” would be re-lettered.

   a. Establishing Library Policies
      • The Library Director will propose new or revised policies as needed.
      • Policy proposals will be considered by the Board at a regular Board meeting.
      • If approved or as amended, the policies will be passed to the City Attorney for review.
      • If the City Attorney has no changes, the policies become effective. If the Attorney suggests changes, the policies will come back to the Board for a final review. Policies becomes effective when approved by a majority of the Board.

Change 2

H.4 states, “The term for each committee member shall be one year or until a replacement is appointed. Terms run from July 1 – June 30.”

The Board should discuss an appropriate updated timeline and by-law language so that new Board members can participate in the election of officers and appointment of members to committees.
DATE: Date: June 27, 2019
TO: Library Board
FROM: Donna Cardon: Library Director
SUBJECT: Amendment to Privacy Policy

STAFF RECOMMENDATION:
Library Board approve changes in the Privacy Policy concerning the Library staff taking photographs during Library events.

BACKGROUND:
In May 2019, the Library Board discussed a new Privacy Policy for the Library. An unresolved question was how to deal with the Library staff’s taking of photographs during library events. We referred the issue to Erin Wells who consulted with the City Attorney on the issue. Their suggestions were to have us notify patrons at the time they sign up for their card that staff may take and use pictures and to subsequently put signage up at events that pictures are being taken. If patrons do not wish their picture to be taken and used, they must notify a staff person at the event. These amendments are included in the attached policy.

FISCAL IMPACT:
No significant fiscal impact.

PROPOSED MOTION:
I move that Library Board approve new language in the Privacy Policy concerning photography at Library events.

ATTACHMENTS:
1. Privacy Policy (track changes)
Draft of Privacy Policy of the Highland City Library

General

The Highland City Library is committed to protect each patron’s personally identifiable information. Librarians will not give circulation information to anyone except for the library card holder, someone they have designated to have access to their account or to their legal parent/guardian if they are a minor except as described in this policy. Patrons can request that their information be made available to a third party such as a spouse, or caregiver. The Highland City Library does not sell patron information to any third party. Patrons are responsible to keep their library card and pin private to prevent unauthorized use.

Registration Information

At the time a patron registers themselves or a minor child for a library card, they will be asked to show a valid state issued photo ID and proof of residency. They will be asked to fill out a registration application and provide a current phone number, email address, and physical address. Information given at the time a patron registers to get a library card is stored in the Library’s patron management system during the time the patron has an active account plus 2 years. An account may remain active after this period if the patron has outstanding fines. The paper application is shredded as soon as information is imputed into the patron management system. Registration information is used for internal function of the library and is not shared with any third party except as discussed in the “Information about Fines” section.

Patron Email

Patron email addresses collected at the time a patron registers for a Library Card will only be used by Library staff to conduct legitimate library functions. No email addresses will be disclosed to third parties except as discussed in the “Information about Fines” section.

Circulation Information

Patrons have the option at the time of registration to direct the Library to save their circulation history or not. A patron can change their preference on this matter at any time through the online catalog, or by making a request of a library staff member. Parents may have access to the circulation history of minor children. Library staff do not share circulation histories with any third party except as discussed in the “Law Enforcement Requests for Information” section.

Information about Fines

Library staff will only give information about fines accrued to the library account holder, their parent/guardian if they are a minor, or a person the card holder has predesignated to have access to that information. If a patron has fines over $50, the Library may inform the patron that their fines must be resolved or they will be sent to a collection agency. If a collection agency is used, they will only be given the information they need to collect the fines.
Computer Use Information

The Library keeps a record of when patrons use their library card to log into public access computers and the length of that use for statistical purposes and to check compliance with Library computer use policy. Patrons have the option to ask for a guest pass to use the public access computers. Patrons should remember that the Library computers are on an open network. Any information they enter into Library computers may be accessible to a third party. Patrons use library computers at their own risk.

Law Enforcement Requests for Information

The Library will comply with law enforcement requests for information about patrons and their circulation history or computer use only if served with a valid search warrant or as required by law. The Library may share information about patrons’ use of the Library with law enforcement to investigate infractions of the Library Patron Behavior Policy.

Information Given Over a Phone or Email

The Library does not accept payment of fines over the phone or through email. Librarians will not give circulation information to anyone over the phone or through email except to the library card holder or to their legal parent/guardian if they are a minor, or a person the card holder has predesignated to have access to that information. Identity of a caller will be established by their giving the librarian their name, library card number, and pin.

Information Shared with Co-op Libraries

If a patron wishes to obtain a library card at a Northern Utah County Library Co-operative library, that library may call Highland City Library to verify that the patron requesting a card is a Highland City Library card holder in good standing. The Highland City Library will provide this information to the requesting library.

Library Programs

Library programs are considered public events. Library employees or volunteers may take photographs at library events that may be posted on the Library website, the City website, or on social media. Library staff will notify patrons when they register for a Library Card that photographs are often taken at library events. They will also notify them at specific events they may be taking photographs. Any patron who would not like their or their minor child’s image to be used in this way must inform the library employee who is overseeing the Library event.

Security Cameras

The Library has security cameras that are in use at all times. The images from the security cameras will only be used by the Library and law enforcement to investigate infractions of the Library Patron Behavior Policy and for Library security. The Library will comply with law enforcement requests for access to security camera footage only if served with a valid search warrant or as required by law.
Library Board approve an amendment to the Patron Behavior policy prohibiting recreational vehicles inside the library.

BACKGROUND:
The Library staff has recently had a problem with teens riding scooters and powered hover boards in the library. This is hazardous to other patrons and damages the carpet. We have asked them to please leave their vehicles outside of the main library doors, but they continue to try to bring them into the library. We would like to add recreational vehicles to the prohibited patron behaviors list so that the staff feel that they can take stricter measures in dealing with these patrons.

FISCAL IMPACT:
No fiscal impact

PROPOSED MOTION:
I move that Library Board approve changes to the Patron Behavior policy prohibiting recreational vehicles in the library.

ATTACHMENTS:
1. Patron Behavior Policy (track changes)
Highland City Library: Patron Behavior Policy

All people are welcome to use the library and have access to information and library resources. In order to protect library users' right of access, ensure the safety of users and staff, and protect library resources and facilities, the library prohibits activities that are illegal, interfere with the use or enjoyment of the library by others, present health or security risks, damage library resources, or disrupt the normal flow of library operations.

Examples of Behaviors that are Prohibited in the Library

A. Destruction or abuse of property (that of other patrons, staff, or the library).
B. Physical confrontation (such as an altercation between two patrons or physically abusive behavior directed at a staff member).
C. Threatening or harassing others verbally or nonverbally.
D. Exhibitionism, sexual acts or abuse, excessive public display of affection (making out) and lewdness.
E. Theft.
F. Exhibiting or watching pornography on library computers or on personal computers or devices in the library.
G. Consuming liquor, smoking, vaping, or using illegal drugs.
H. Intoxication.
I. Soliciting of any kind without permission.
J. Entering the library with excessively wet or dirty clothing, or with extreme offensive body odor.
K. Eating or drinking anything except water in public areas.
L. Sleeping.
M. Excessive noise or loud talking.
N. Unsafe running or horseplay.
O. Leering or staring at other patrons or staff.
P. Bringing animals in the library, with the exception of service animals or those authorized in library programs.
Q. Bringing recreational vehicles (e.g. bikes, hover boards, skateboards etc) into the library.

Staff Responses to Inappropriate Behavior

If a patron violates any of the behavior guidelines the library employee, with the assistance of another employee, may follow these steps depending on the nature of the offence:

A. Inform the patron that the behavior is inappropriate and if it is not stopped, they will be asked to leave.
B. Ask the patron to leave if the inappropriate behavior does not stop.
C. Notify the police if the patron refuses to leave or becomes threatening in any way.
D. File an incident report with the director of the library.

**Children in the Library**

The Highland City Library encourages children to use its facilities and services. However, children in the library are the responsibility of their parents. The library has neither the staff nor the legal authority to supervise children in the library.

Children under 9 years of age must be accompanied by a responsible adult or caregiver. Caregivers must be at least 12 years old, stay in the same room as the child, and supervise the child under age 9 at all times.

If a child under age 9 is found to be unattended in the library, the library may take action necessary to resolve the situation. If necessary, the library may ask the police or child protective services to take the child into custody for the child's protection.

**A. Dealing with Disruptive Children**

If a young child is being disruptive (prolonged noise making; running up and down aisles; damaging library property; or bothering other library patrons), library staff may do the following:

1. Remind the child that they should be quiet (should not run around, etc.) in a library.
2. If the behavior continues, library staff will attempt to locate the child's parent or caregiver. When the parent/caregiver is located in the library, staff will explain that the child's behavior is disturbing other library patrons, and will ask the parent/caregiver to deal with the problem.
3. If the parent/caregiver refuses or is unable to control the child, they may be asked to remove the child from the library until the problem is resolved.

If an older child (above 9 years old) is disruptive, the library staff will inform him/her that he/she is behaving inappropriately and ask him/her to behave in a more appropriate manner. If the disruptive behavior continues, library staff may:

1. Attempt to locate a parent/caregiver to deal with the problem.
2. Ask the child to leave the library. Library staff members are to use their discretion in such situations. (Is the child old enough to leave on his/her own; does he/she live within walking distance; is it light or dark out; etc.)
3. If a parent/caregiver cannot be located within the library, the disruption is sufficiently severe, and the staff feels it would be unsafe to require the child to leave the library, the police or child protective services may be called to deal with the situation.

B. Unattended Children at Closing

Library staff will not remain after hours with an unattended child and are not permitted, under any circumstances, to give him/her a ride home. If a child's transportation is not available within 15 minutes after closing, and the staff feels it would be unsafe to leave the child alone, the police may be called to escort the child home or keep the child until parents can be reached.

The library is not responsible for children outside the library who await transportation or who are socializing.

Remember that parents and caregivers, not library staff, are responsible for the safety and behavior of children within the library.
