

HIGHLAND INSIDER

VOLUME 15, ISSUE 12 DECEMBER 2009

A farewell and welcome...

A special thanks to Mayor Jay Franson and Councilmembers Brian Brunson and Claudia Stillman for their many years of service to the City. Mayor Franson has been an integral part in many key projects in the City. Claudia Stillman has helped get the Library off to a fantastic start. Veteran member Brian Brunson has been witness to numerous changes over the years and has assisted in many key negotiations which have furthered the City. City staff and residents would like to wish them the best in their future endeavors.

Welcome to the mayor-elect Lynn Ritchie and council-elect Tom Butler and Scott L. Smith who will be serving the next four years. Highland City had one of the higher voter turnouts in Utah County at 35%. The oath of office will be administered to the newly elected officials at the first 2010 City Council meeting on January 5. The meeting is open to the public.

News you can use...

- * Visit Highland City's website at www.highlandcity.org for FAQ about snowplowing and winter parking. A special map has also been posted that provides alternate routes along Highland Blvd during severe winter weather.
- * Did you know that in 95% of emergencies bystanders or victims themselves are the first to perform emergency assistance or rescues? There is still time to order FIRST AID KITS from Lone Peak EMS. These make great holiday gifts. Order by December 15, 2009. Order forms may be downloaded from the City's website, or pick one up in the office.
- * WE NEED YOU! Highland City is looking for volunteers! Several positions are available on many different boards, committees and commissions. If you'd like to get involved in your community, we've got the job for you! Download a volunteer application from the City's website (www.highlandcity.org) on the home page.
