## CITY COUNCIL NEWS

### CEMETERY FEE INCREASES, NEW SOLICITORS ORDINANCE, ETC

The City Council passed fee increases to **Cemetery fees** at their meeting on May 6, 2008. The new fees will take effect July 1, 2008. For a limited time the city is offering utility bill financing for cemetery plots (burial right) at the current rate of \$500 per plot. You must come into the city offices to take advantage of this offer which expires at 6:00 p.m. on Monday June 30. The utility bill financing will add \$20 per plot to your utility bill for two years. This amount includes a small service charge of \$1.25 per month, per plot. On July 1, the residential plot fee will increase to \$985 per plot. Non-resident fees are higher. For more information on the fee increases or lot financing please contact City Recorder Gina Peterson at 756-5751 ext 105.

Updated **Solicitors ordinance** recently adopted by the City Council. All businesses, including door-to-door solicitors, must register and license through the city in which they are operating. If someone comes to your door to sell you something, you may ask to see their Highland City, City-issued solicitors permit. (A City-issued permit should include the logo,

signature of the City recorder, and a stamped seal from the recorder's office.) All licensed solicitors are instructed to carry a copy of their license with them at all times. If a solicitor comes to your door, ask to see their license. If they cannot produce one, you may instruct them to go to the City office to obtain a license, or you may contact the police. If you have a "No Soliciting" sign posted, you may immediately contact the police. A list of licensed businesses, including solicitors, is available from the City Recorder. We encourage and support businesses that are properly licensed and encourage residents to use services that are offered within the community.

On May 20 City Council passed new fees effecting **utility payments**:

- Return check fee, \$20
- Water Lock-off/re-connection fee, \$80
- Utility late fee, 1.5% of the utility account outstanding monthly balance

The new fees will go into effect on June 1, 2008.

## PAYING YOUR CITY UTILITY BILL MADE SIMPLE

Highland City has 2 EASY options for paying your monthly city bill without having to write a check, find cash or make a trip to city hall.

Option # 1 Pay online: Highland City has teamed up with Xpress Bill Pay since June 2007. You may use this service to pay your bill online by credit card, debit card, or electronic funds transfer. You can also set this up to where your city bill comes via e-mail instead of receiving a paper statement in the mail each month. Xpress Bill Pay also has an auto pay option, where each month your bill will be automatically paid electronically on the date that you specify. EASY!

Option # 2 Direct Pay: An electronic file is created by Highland City which electronically deposits funds into Highland City's account on your behalf from your financial institution. All we need from you is authorization. Each month you will continue to receive your statement and then on the 20<sup>th</sup> of each month, or as close as we can be due to weekends and holidays, your Highland City utility account will be credited with a payment direct from your financial institution. EASY!

See Highland City' web page for these options or call Nancy at 756-5751 Ext 110 for more information.

This past month we had a great service project. We had a trash clean up with the Alpine Youth Council, and then had a great party. It was a lot of fun!
