## HONORING THOSE THAT SERVE OUR COUNTRY

BY MAYOR JAY FRANSON

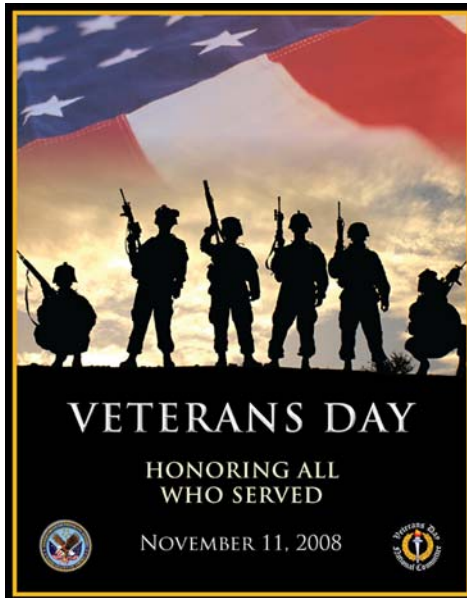

In November each year we celebrate the Federal holiday known as Veteran's Day. This day gives Americans the opportunity to celebrate the bravery and sacrifice of all U.S. veterans. However, do you know why we commemorate our Veterans on November 11?

The United States was involved in World War I from 1917 to 1918. It was thought to be the "War to End All Wars" and because of the great magnitude, it was ended with an armistice (temporary cessation of fighting) at the 11th hour of the 11th day of the 11th month in 1918.

History is such an important part of our Country. Remembering and honoring how we've gotten here is essential for future success. The Department of Veterans Affairs indicates there is only ONE living veteran that served in WWI. I am grateful to those that have documented the experiences of these people in service. Since the American Revolution in 1775 until the end of Desert Storm in 1991, the United States has had 41,891,368 citizens serve during wartime. I am humbled by that number, especially when I think about a country just over 200 years old, and the love for country these men and woman have.

We do remember deceased veterans on Veterans Day, but the day is set aside to thank and honor living veterans who served honorably in the military - in wartime or peacetime. Please reach out to the Veterans you might know, tell them how grateful you are for their service.

We are so happy to have recently finished our beautiful cemetery in Highland. We hope this place gives you peace and comfort as you honor loved ones, including Veterans. Please join us on November 11 at 11 a.m. for a special ceremony saluting not only the 24 veterans buried in our cemetery, but those still living that have served or continue to serve. To the Veterans in Highland and the State, I salute you.

## PET/DOG OWNERS - HERE'S NEWS YOU CAN USE!

Anyone who has experienced the panic and sorrow of having a lost dog knows how important it is to license your pet. Our pets look to us as owners to provide food, water, shelter, and to bring them home when they have wandered. One of the best things we can do for our dogs is to license them. Did you know that Highland Ordinance requires EVERY dog over 6 months of age to have a current rabies vaccination and a current dog license? Dog licenses are good for one year from the date of purchase and MUST be renewed every year. Benefits of licensing include:

- Identifies your dog and allows you to be quickly reunited in case they ever get lost
- Helps veterinarians contact pet owners should your pet become injured or in need of a life saving medical treatment

- Ensures that dogs are vaccinated against rabies --a fatal disease
- Saves money on impound fees
- Helps anyone who finds your pet know that it has an owner and is not an abandoned animal in need of a home
- Allows animal control and animal shelters the ability to attempt to reach owners
- Is a key to emergency planning, helping owners and pets reunite in the event of a separation during an emergency.

Highland City is a member of the North Utah Valley Animal Shelter. Residents can apply for a dog license at the City

Offices with current rabies tag information. The cost is \$10 if your pet is spayed/neutered or \$35 if intact. Another option is to visit the North Utah Valley Animal Shelter at 193 North 2000 West in Lindon. (785-3442).

**Surrendering a pet.** If you need to surrender a pet, please don't turn them out into the street, contact the North Utah Valley Animal Shelter at 785-3442.

**Adopt-A-Thon.** The North Utah Valley Animal Shelter will be having an adopt-a-thon on Saturday, November 8 from 10:00a.m.-2:00p.m. Come help give all the critters a second chance at life and make a new friend fur life! Other services that will be available are micro-chipping, dog licensing and rabies vaccinations.

### ALL THE LEAVES ARE BROWN...

**Timpanogos Special Service District** wants your yard waste to assist in producing compost. Residents may take their green yard waste to TSSD, 5050 West 6400 North, Utah County (off the new Pleasant Grove exit). Dirt, rocks, concrete and garbage are prohibited. Green waste loads must be covered or secured.

Mulch can also be purchased from TSSD for \$20/c.y. The compost facility is open Monday – Friday 7:00 a.m. to 5:00 p.m., and Saturday 7:00 a.m. to 4:30 p.m. Call 756-5231 for more information.

### JOIN THE TREE COMMISSION

The Tree Commission is looking for volunteers to participate on the committee and help plan activities for Arbor Day. If you or someone you know are interested or would like more information, please contact Emily Gillingwater at 756-5751 ext. 4523 or email her at [emily@highlandcity.org](mailto:emily@highlandcity.org). The next Arbor Day planning meeting will be held on Thursday, November 6 at 6:00 p.m. at City Hall.

### *DRAFT VISION & MASTER PLAN TO BE PRESENTED TO THE PUBLIC*

After months of planning and public input, the Utah Lake Commission, a group comprised of local government officials and state agency leaders, is ready to present the guiding document for how future decisions regarding Utah Lake will be made. The Commission will hold two public open houses in December to share the draft vision and master plan for the lake, entitled Awake Utah Lake. The purpose of the open houses is to provide the public with an opportunity to learn firsthand about the newly proposed vision and master plan and provide comments.

The open houses, which are the same, will be held from **5 to 7 pm on Wednesday, December 3** at

Willowcreek Middle School, 2275 W. 300 North, Lehi, Utah, and **Thursday, December 4** at the Utah Lake State Park, 4400 W. Center Street, Provo, Utah.

In an effort to consider all aspects of Utah Lake, the draft vision and master plan incorporate elements for recreation, natural resources, land use and shoreline protection, and transportation. The purpose of Awake Utah Lake is to create a vision and management plan for Utah Lake that will guide the Utah Lake Commission and its member agencies in future decisions affecting the lake.

For more information about the Awake Utah Lake process, the public open houses, or the Utah Lake Commission, visit [www.utahlakecommision.org](http://www.utahlakecommision.org).

**YOUTH COUNCIL  
NEWS**

This past month the Youth Council had the opportunity to help quilt at the Alpine Country Club church building. These quilts will go to children at Primary Childrens Hospital that are in great need of them. It was a great activity, and was enjoyed by all. There is an exciting project this month. It's the Senior Citizen Dinner It's going to be so much fun! It's on November 13 at 6:00 pm. at the Lone Peak High School cafeteria.
