

Highland City Foundation

The Highland City Foundation is a nonprofit, charitable organization that has been granted tax-exemption status under Section 501(c)(3) of the Internal Revenue Code. The Foundation's mission is to enhance the lives and well-being of the citizens of Highland by generating charitable funds to create and support city infrastructure such as public parks, facilities, and trails.

The Foundation is currently raising funds to help build an "All Abilities Playground" in the future **Mountain Ridge Park** west of the Junior High. The playground will provide fun activities for children of all ages and will be designed to accommodate children with special needs.

During this holiday season, we encourage you to make a tax-exempt donation to help fund this project. The Highland City Foundation is administered by a Board composed of members who are donating their time and effort, thus **your donations will go directly to this project.**
